

BSI Standards Publication

Wheat flour and durum wheat semolina — Determination of impurities of animal origin

National foreword

This British Standard is the UK implementation of ISO 11050:2020. It supersedes BS 4317-29:1993, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee AW/4, Cereals and pulses.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
