Document management applications — Archiving of electronic data — Computer output microform (COM)/Computer output laser disc (COLD)

National foreword

This British Standard is the UK implementation of ISO 11506:2017. It supersedes BS ISO 11506:2009, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IDT/1, Document Management Applications.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
