Ships and marine technology — Heading control systems

National foreword

This British Standard is the UK implementation of ISO 11674:2019. It supersedes BS ISO 11674:2006, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee EPL/80, Maritime navigation and radiocommunication equipment and systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
