Part 1: Terms and definitions

ICS 01.040.33; 03.120.30; 17.020

National foreword

This British Standard is the UK implementation of ISO 11843-1:1997, incorporating corrigendum November 2003.

The start and finish of text introduced or altered by corrigendum is indicated in the text by tags. Text altered by ISO corrigendum November 2003 is indicated in the text by AC1 AC1.

The UK participation in its preparation was entrusted to Technical Committee SS/6, Precision of test methods.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Committee and comes into effect on 15 June 2000
