

BS ISO 11892:2012

BSI Standards Publication

Space systems — Subsystems/units to spacecraft interface control document

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO 11892:2012.

The UK participation in its preparation was entrusted by Technical Committee ACE/68, Space systems and operations, to Panel ACE/68/-/2, Space systems and operations - Interfaces, integration and test.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
