BSI Standards Publication

Aerospace — Requirements for digital equipment for measurements of aircraft electrical power characteristics

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO 12384:2010.

The UK participation in its preparation was entrusted to Technical Committee ACE/6, Aerospace avionic electrical and fibre optic technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
