Graphic technology - Determination of tack of paste inks and vehicles by a rotary tackmeter

National foreword

This British Standard is the UK implementation of ISO 12634:2017. It supersedes BS ISO 12634:1996, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PAI/43, Graphic technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
