

BS ISO 12926:2012

BSI Standards Publication

**Aluminium fluoride for
industrial use — Determination
of trace elements —
Wavelength dispersive X-ray
fluorescence spectrometric
method using pressed powder
tablets**

National foreword

This British Standard is the UK implementation of ISO 12926:2012.

The UK participation in its preparation was entrusted to Technical Committee CII/24, Raw materials for the aluminium industry.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
