Intelligent transport systems (ITS) — Guidance protocol via personal ITS station for advisory safety systems

Part 2: Road guidance protocol (RGP) requirements and specification

National foreword

This British Standard is the UK implementation of ISO 13184-2:2016.

The UK participation in its preparation was entrusted to Technical Committee EPL/278, Intelligent transport systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
