

BSI Standards Publication

**Building and civil engineering
sealants — Determination of resistance
to prolonged exposure to water**

National foreword

This British Standard is the UK implementation of [ISO 13638:2021](#).

The UK participation in its preparation was entrusted to Technical Committee B/547, Sealants for building and construction.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
