

BSI Standards Publication

**Optics and photonics — General optical
test methods — Measurement of relative
irradiance in the image field**

National foreword

This British Standard is the UK implementation of ISO 13653:2019. It supersedes BS ISO 13653:1996, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CPW/172, Optics and Photonics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
