

BS ISO 15889:2011

BSI Standards Publication

Space data and information transfer systems — The data description language EAST specification

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO 15889:2011. It supersedes BS ISO 15889:2003 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ACE/68/-/7, Space systems and operations - Space data and information transfer systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
