

BSI Standards Publication

**Determination of particle size
distribution — Differential electrical
mobility analysis for aerosol particles**

National foreword

This British Standard is the UK implementation of [ISO 15900:2020](#). It supersedes [BS ISO 15900:2009](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee LBI/37, Particle characterization including sieving.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
