

BS ISO 15917:2012

BSI Standards Publication

Solid ball-nosed end mills with cylindrical shanks, made of carbide and ceramic materials

National foreword

This British Standard is the UK implementation of ISO 15917:2012. It supersedes BS ISO 15917:2007, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee MTE/18, Tools tips and inserts for cutting applications.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
