Direct reduced iron — Determination of apparent density and water absorption of hot briquetted iron (HBI)

National foreword

This British Standard is the UK implementation of ISO 15968:2016.

The UK participation in its preparation was entrusted to Technical Committee ISE/58, Iron ores.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
