Accessible design — Consideration and assistive products for accessible meeting

National foreword

This British Standard is the UK implementation of ISO 17069:2020. It supersedes BS ISO 17069:2014, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CH/173, Assistive products for persons with disability.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
