

BSI Standards Publication

## **Earth-moving machinery and mining — Autonomous and semi-autonomous machine system safety**

---

## National foreword

This British Standard is the UK implementation of ISO 17757:2017.

The UK participation in its preparation was entrusted to Technical Committee B/513/1, Earth moving machinery (International).

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
