Plastics piping systems — Multilayer piping systems for outdoor gas installations — Specifications for systems

National foreword

This British Standard is the UK implementation of ISO 18225:2012. It supersedes BS ISO 18225:2007 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/88/2, Plastics piping for pressure applications.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
