Rubber — Guide to the calibration of test equipment

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO 18899:2013. It supersedes BS ISO 18899:2004 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/22, Physical testing of rubber.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
