

BSI Standards Publication

Imaging materials — Processed colour photographs — Methods for measuring thermal stability

National foreword

This British Standard is the UK implementation of ISO 18936:2020. It supersedes BS ISO 18936:2012, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CPW/42, Photography.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
