

BSI Standards Publication

Geographic information — Preservation of digital data and metadata

Part 2: Content specifications for Earth observation
data and derived digital products

National foreword

This British Standard is the UK implementation of [ISO 19165-2:2020](#).

The UK participation in its preparation was entrusted to Technical Committee IST/36, Geographic information.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
