Thermal spraying — Classification method of adhesive strength by indentation

National foreword

This British Standard is the UK implementation of ISO 19207:2016.

The UK participation in its preparation was entrusted to Technical Committee STI/40, Thermal spraying and thermally sprayed coatings.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
