

BSI Standards Publication

Fallopian rings — Requirements and test methods

National foreword

This British Standard is the UK implementation of ISO 19351:2019.

The UK participation in its preparation was entrusted to Technical Committee CH/157, Mechanical contraceptives.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
