

BSI Standards Publication

Building construction machinery and equipment — Plants for the preparation of concrete and mortar

Part 1: Terminology and commercial specifications

National foreword

This British Standard is the UK implementation of ISO 19720-1:2017.

The UK participation in its preparation was entrusted to Technical Committee B/513, Construction equipment and plant and site safety.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
