Ships and marine technology - Specifications for gas detectors intended for use on board ships

Part 1: Portable gas detectors for atmosphere testing of enclosed spaces

National foreword

This British Standard is the UK implementation of ISO 19891-1:2017. It supersedes PD ISO/PAS 19891-1:2016, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee SME/32, Ships and marine technology - Steering committee.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
