**Fibre-reinforced plastic composites —
Determination of interlaminar strength and
modulus by double beam shear test**

National foreword

This British Standard is the UK implementation of ISO 19927:2018.

The UK participation in its preparation was entrusted to Technical Committee PRI/42, Fibre reinforced thermosetting plastics and prepregs.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
