

BSI Standards Publication

Thermal insulation for building equipment and industrial installations — Aluminosilicate wool products — Specification

National foreword

This British Standard is the UK implementation of ISO 20310:2018.

The UK participation in its preparation was entrusted to Technical Committee B/540/8, Mirror committee for ISO/TC 163 - Thermal Performance and Energy use in the built Environment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
