...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO 20562:2014, incorporating corrigenda June and August 2014.

The UK participation in its preparation was entrusted to Technical Committee AUE/4, Tyres and wheels for motor vehicles.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
