Water safety signs and beach safety flags

Part 3: Guidance for use

National foreword

This British Standard is the UK implementation of ISO 20712-3:2020. It supersedes BS ISO 20712-3:2014, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PH/8/1, Graphical Symbols - Safety Signs.

A list of organizations represented on this committee can be obtained on request to its committee manager.

The UK committee draws users' attention to National Annex NA, which provides further guidance to assist users in the application of this standard.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
