

BSI Standards Publication

Tools for pressing — Heel guidings in large stamping and forming dies

National foreword

This British Standard is the UK implementation of ISO 20929:2018.

The UK participation in its preparation was entrusted to Technical Committee MTE/12, Tools for pressing and moulding.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
