

BSI Standards Publication

**Petroleum products and lubricants —
Determination of cone penetration of
lubricating greases and petrolatum**

National foreword

This British Standard is the UK implementation of ISO 2137:2020.

The UK participation in its preparation was entrusted to Technical Committee PTI/13, Petroleum Testing and Terminology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
