

BSI Standards Publication

**Sustainability in buildings and civil engineering
works — Indicators and benchmarks —
Principles, requirements and guidelines**

National foreword

This British Standard is the UK implementation of [ISO 21678:2020](#).

The UK participation in its preparation was entrusted to Technical Committee B/558, Sustainability of construction works.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
