Graphic technology — Print product metadata for PDF files

Part 1: Architecture and core requirements for metadata

National foreword

This British Standard is the UK implementation of ISO 21812-1:2019.

The UK participation in its preparation was entrusted to Technical Committee PAI/43, Graphic technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
