

BSI Standards Publication

Cellular plastic — Cellulose foam thermal insulation — Material specification

National foreword

This British Standard is the UK implementation of ISO 21844:2018.

The UK participation in its preparation was entrusted to Technical Committee PRI/72, Rigid cellular materials.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
