

BSI Standards Publication

Biotechnology — General requirements for transportation of cells for therapeutic use

National foreword

This British Standard is the UK implementation of ISO 21973:2020.

The UK participation in its preparation was entrusted to Technical Committee BTI/1, Biotechnologies.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
