Milk and milk products — Determination of nitrofurazone

National foreword

This British Standard is the UK implementation of [ISO 22186:2020](#).

The UK participation in its preparation was entrusted to Technical Committee AW/5, Chemical analysis of milk and milk products.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
