Statistical methods in process management — Capability and performance

Part 4: Process capability estimates and performance measures

National foreword

This British Standard is the UK implementation of ISO 22514-4:2016. It supersedes PD ISO/TR 22514-4:2007 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee SS/4, Statistical Process Management.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
