

BSI Standards Publication

Pilot plan for industrial wastewater treatment facilities in the objective of water reuse

National foreword

This British Standard is the UK implementation of [ISO 22524:2020](#).

The UK participation in its preparation was entrusted to Technical Committee B/505/50, Water reuse.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
