

BS ISO 22538-6:2010

BSI Standards Publication

Space systems — Oxygen safety

Part 6: Facility planning and implementation

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO 22538-6:2010.

The UK participation in its preparation was entrusted to Technical Committee ACE/68, Space systems and operations.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
