

BSI Standards Publication

Castors and wheels — Requirements for castors for hospital beds

National foreword

This British Standard is the UK implementation of ISO 22882:2016.

The UK participation in its preparation was entrusted to Technical Committee MHE/7/-/1, Castors and wheels.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
