Rubber threads — Methods of test

National foreword

This British Standard is the UK implementation of ISO 2321:2017. It supersedes BS 5421-1:1976 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee TCI/24, Physical testing of textiles.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
