Foundry machinery — Vocabulary

Part 1: General

National foreword

This British Standard is the UK implementation of ISO 23472-1:2020.

The UK participation in its preparation was entrusted to Technical Committee MCE/3/10, Foundry machinery - Safety.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
