

BSI Standards Publication

Buildings and civil engineering works — Sealants — Testing of adhesion properties using a bead peel test

National foreword

This British Standard is the UK implementation of ISO 23658:2020.

The UK participation in its preparation was entrusted to Technical Committee B/547, Sealants for building and construction.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
