

BSI Standards Publication

Wrought magnesium and magnesium alloys — Extruded rods/bars and tubes

National foreword

This British Standard is the UK implementation of [ISO 23694:2021](#).

The UK participation in its preparation was entrusted to Technical Committee NFE/35, Light metals and their alloys.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
