

Aircraft — Environmental test procedures for airborne fluid system components — Resistance to fire in designated fire zones

ICS 49.080

Confirmed November 2010

National foreword

This British Standard is the UK implementation of ISO 23935:2006.

The UK participation in its preparation was entrusted to Technical Committee ACE/69, Aerospace hydraulic systems, fluids and components.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 June 2008
