

Tools for moulding — Tool specification sheet for diecasting dies

ICS 25.120.30

Confirmed December 2011

National foreword

This British Standard is the UK implementation of ISO 24233:2008.

The UK participation in its preparation was entrusted to Technical Committee MTE/12, Tools for pressing and moulding.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 April 2008
