

Ships and marine technology — Marine evacuation systems — Means of communication

ICS 47.020.01

National foreword

This British Standard is the UK implementation of ISO 27991:2008.

The UK participation in its preparation was entrusted to Technical Committee SME/32/-/1, Lifesaving and fire protection.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 December 2008
