Fire tests — Uncertainty of measurements in fire tests

National foreword

This British Standard is the UK implementation of ISO 29473:2010.

The UK participation in its preparation was entrusted to Technical Committee FSH/21, Reaction to fire tests.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
