

BSI Standards Publication

Information and documentation — Records management — Core concepts and vocabulary

National foreword

This British Standard is the UK implementation of ISO 30300:2020. It supersedes BS ISO 30300:2011, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IDT/2/17, Archives/records management.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
