Codes for the representation of names of countries and their subdivisions

Part 3: Code for formerly used names of countries

National foreword

This British Standard is the UK implementation of [ISO 3166-3:2020](#). It supersedes [BS ISO 3166-3:2013](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IDT/2/11, Coding of country names and related entities.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
